

We have a full service restaurant that includes a salad bar with over 10 different items. Everyday there are specials including authentic Mexican recipes. Our old fashioned ice cream, shakes and malts are known all over the state. Tour busses stop just to get our famous homemade pies; blueberry, apple, cherry and mixed berry. (Just to mention a few)

The old time bar brings back memories of the old west. There is also a package liquor store.

AT THE FOOT OF THE BIGHORNS

DIRTY ANNIE'S

WYOMING TERRITORY

Come on over and check out the fifteen wonders of Shell. Some are as old as dirt, and others are as young as you are.
