HAROLD WEBSTER

Harold Webster

Game for All Seasons Cookbook

I doubt if anybody in America knows more about venison than Harold Webster, and I'm pretty near positive that nobody else knows more ways to cook it.
— Colman Andrews, Editor-in-Chief, *Savoir Magazine*

Veteran hunter, fisherman, and chef Harold Webster presents 300 seasonal recipes for venison, fish, fowl, and other delicacies from field and water so you can prepare delicious dishes from your bounty.

You'll find fresh and saltwater favorites like *Garibbean-Fried Catfish*, *Baked Creole Redfish*, *Cream of Oyster Steu*, *Spinach-Stuffed Flounder Fillets*, *Deviled Lobster*, and *Shrimp and Broccoli Casserole*. The many venison recipes include *Grilled Venison Loin with Blackberry Sauce*, *Apple and Venison Sausage Omelet*, *French Onion Venison Roast*, and *Blue Cheese Venison Steaks*. Webster's mouth-watering recipes will also guide you through creating *Wild Hog Chili*, *Dove Breasts in Cream Sauce*, *Cajun Crockpot Wild Goose*, and *Wild Quail in Plum Sauce*. From venison to crawfish, trout to wild turkey, raccoon to mahi mahi, you'll find something to please everyone.

Included with the recipes are memoirs that chronicle Webster's lifelong passion for hunting and fishing. You are sure to enjoy stories like *The Long Walk with Jake*, *Trash Fish or Southern Comfort*, and *One Bird in Hand*.

The sportsman's outdoor experience doesn't end when the gun or the fishing gear has been put away. The challenge and reward of the quest are continued when the game is prepared into fabulous meals to be shared with friends and family.

At last a hunter who actually confesses to shooting for the table. What a refreshing change. — Nichola Fletcher, *Journal of the British Deer Farmer*, Great Britain

Harold Webster has turned wild game into gourmet fare. — J.L. Watson, *Laurence Journal-World*, Kansas

Harold has become one of the finest game chefs you'll ever know! — Jay Cassell, Deputy Editor, *Field & Stream* magazine

Harold Webster has defined the benchmark by which all game, fowl and fish cookbooks will be measured. — Chris Hodgdon, Hodgdon Powder Company
